

OPERATORS GET A RAISE IN PAY GOLF FESTIVAL TO SOCCER TEAM

Western Union Telegraph Company Raises Wages, Averaging \$10 a Month.

Manager T. A. Darling announces that the Western Union has made increases in salaries to operators averaging \$10 a month.

Effective March 1 nearly all operators in the employ of the Western Union throughout the Gulf division, comprising the states of Texas, Oklahoma, Arkansas and Louisiana, are to receive substantial increases in salaries.

The standard pay of first class operators will be raised to \$100 per month for their regular work and the salary of the others is to be scaled down from this in proportion to the class of work the operator does.

The increase in salary varies from \$5 to \$10 per month, depending upon the operator and his work, the average being about \$10.

About 75 employees of the El Paso office will be affected by this increase, this number including nearly every man who has been with the company six months or more.

In announcing this increase, R. P. Hancock, division traffic superintendent of the Western Union, said: "The raising of salaries for our operators is in line with the company's policy of improving working conditions in our offices and properly compensating the faithful and efficient work of deserving employees."

**CALOMEL TODAY,
SICK TOMORROW**

Dose of nasty calomel makes you sick and you lose a day's work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with your bile it causes it to cause cramping and nausea. If you feel bilious, headache, constipated and all knocked out, just go to your drugstore and get a 50 cent bottle of Dodson's Liver Tonic, which is a harmless vegetable-a-better-for-digestion calomel. Take a spoonful and if it doesn't start your liver and straighten you up in a matter of minutes, then you are not sick, you are just a little off your balance, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tonic you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it—Advertisement.

DRINK HABIT

RELIABLE HOME TREATMENT

Thousands of wives, mothers and sisters are enthusiastic in their praise of DRINK HABIT, because it has cured their loved ones of the "Drink Habit" and thereby brought happiness to their homes. Can be given secretly. DRINK HABIT costs only \$1.00 per box. Ask for Free Booklet, Kelly & Pollard, Shelton Hotel—Advertisement.

The Treatment of Influenza or La Grippe

It is quite refreshing these days to read of a clearly defined treatment for influenza or La Grippe. In an article in the "Lancet-Clinic" Dr. James Hall, of New York City, says he is convinced that too much medication is both unnecessary and injurious.

When called to it in the grippe, the patient is usually seen when the fever is present, as the chill which occasionally occurs in the disease is not practically passed away. Dr. Hall then orders that the patient be opened freely with salts. "Antidotes" or "stimulants" of any kind are not to be given. Severe headache, pain and general soreness of the anti-kamnia tablets every three hours, a quickly followed by complete relief. Ask for A-K Tablets. They are also used for headache, neuralgia and all pains.

To Avoid Dandruff

You do not want a slow treatment when hair is falling and the dandruff germ is killing the hair roots. Delay means no hair.

Get, at any drug store, a bottle of xeno for 25c or \$1.00 for extra large size. Use as directed for it does the work quickly. It kills the dandruff germ, nourishes the hair roots and immediately stops itching scalp. It is sure and safe, it has gray, easy to use and will not stain. Soap and shampoos are harmful, as they contain alkali. The best thing to use is xeno, for it is pure and also inexpensive.

NEW MEXICO COLLEGE IS TO DEBATE EL PASO HIGH SCHOOL

The first public debate of this year will be held between the New Mexico college debating team and the El Paso High School debaters on Saturday evening, March 21.

The local debaters have been training for a considerable amount of time and in view of the thorough preparation of the New Mexico debaters, the people of El Paso are promised an exciting evening of oratory.

The question to be debated is a vital one to all taxpayers and of great interest to all in general. It reads: "Resolved, that a tax of one mill should be equally apportioned for the support of institutions of higher education in Texas and that all supplementary legislative appropriations should be prohibited."

Special music will be provided.

The whole household will relish Sulzberger's Maltic Ham and Bacon—"Deliciously Different."—Adv.

ALLEGED BUNCO MAN IS NOW BREAKING ROCK FOR CITY

Arraigned in corporation court Wednesday afternoon, Albert Veller, arrested on a vagrancy charge by city detectives, was given a sentence of 30 days on the municipal rock pile by Judge Paul Thomas. W. H. Murphy, a civil engineer of Toronto, Canada, who arrived in El Paso last Sunday morning from Los Angeles, preferred charges against Veller, testifying that the defendant, aided by two accomplices swindled him out of approximately \$1100 at the Jueces race track and in El Paso in the three-cornered matching game and fake bets.

Seven men arrested in a gambling raid in the Menager hotel late Tuesday evening were assessed fines of \$15 and \$25 by Judge Thomas, after pleas of guilty had been entered. Five of the men who gave the names of John Brown, Charles Gray, John Wilson, R. Williams and A. Harris were given fines of \$15, while Joe Evans and W. Mitchell, who were convicted on

charges of running the game, were fined \$50 each. All seven fines were paid.
